

## WHAT YOU CAN DO

We need maximum support to make this happen. Despite representation, Gateway Kintore was not included in the development plan.

So we must show strong demand and support to persuade the council to bring it forward.

- Get everyone to add their names to the petition at [www.gatewaykintore.co.uk](http://www.gatewaykintore.co.uk).
- Tell your councillors you want to see Gateway Kintore happen now. You'll find a suggestion of what to say and contact details on the website.
- Write a note of support to [info@gatewaykintore.co.uk](mailto:info@gatewaykintore.co.uk) or post to KMPR, Savik, Hill of Balbithan, Kintore, Inverurie AB51 0UQ.
- Write to the papers.. You will find their contact details on the website.

[www.gatewaykintore.co.uk](http://www.gatewaykintore.co.uk)

The proposed Gateway Kintore will deliver much-needed facilities for an expanding Kintore.

Planned for a site adjoining the Broomhill roundabout, Gateway Kintore proposes a supermarket, filling station, restaurants, hotel, business, leisure and sports facilities.

## MAKING IT HAPPEN

The only prospect for Gateway Kintore to become a reality in the near future is if our councillors demand it on our behalf.

That means we need to tell them that we need the facilities that Gateway Kintore would bring to our community.

- a supermarket
- filling station
- hotel
- restaurants
- nursery
- play barn
- sports pavilion and sports facilities
- business premises.

At the moment Gateway Kintore is not included in the Local Development Plan. We need to demonstrate the weight of public opinion that we need this development now.

"There is plenty of anecdotal evidence to suggest these types of community facilities would be welcomed by Kintore residents..."
